Dear Colleague,

It is a matter of great pleasure to invite you on behalf of the API - Delhi State Chapter to participate in the **MID-TERM CME 2024**, which is scheduled to be held on **Sunday, July 21, 2024 at India Habitat Centre, Lodhi Road, New Delhi.**

It is imperative for practitioners to keep abreast of the developments in the medical field. Therefore, the medical fraternity needs to keep updating their knowledge by attending various CME programs. API-DSC Mid-Term CME is an annual event, which is sought after by the API-DSC members and physicians from the NCR. Attending CME programs like the Mid-Term CME, not only satisfies the knowledge-seekers but also provides a platform for the medical fraternity to exchange experiences, thoughts and clinical practice pearls. The scientific program has been made so as to cover various aspects of the subspecialties of Medicine, and provide the delegates key messages to take home.

We are sure that participation in the CME program would benefit all the delegates, and so we request our physician colleagues to register for the CME and derive maximum benefit from the same. The registration form is enclosed.

We look forward to welcoming you in person on July 21, 2024.
